BARNDOMINIUMS

Live, Work or Play the Way You've Always Imagined

YOUR VISION PERFECTLY CONSTRUCTED

Now's the time to live the lifestyle you've always wanted. Whether it's a perfect lakeside getaway, an inviting and comfortable barn home or the ideal farm or hobby shop and home combination, you'll find it all with your Reaves Buildings barndominium. With virtually complete freedom to design your own floor plan and interior and exterior style, your barndominium is truly the home or workshop you've always dreamed of.

Built to Wow. Built to Last.

Nearly 40 years of expertise goes into every Reaves Buildings barndominium. Carefully crafted from high-quality materials and renewably sourced wood, your beautiful, new, fully engineered, post-frame home, hobby or workspace offers all the comfort of traditional construction but with minimal maintenance, quicker construction time and lower costs.
